For modular laying, you have to consider a 3 mm joint. In order to avoid laying misunderstandings, when placing the order, please ask for matching shade availability. Qualora si vogliono realizzare schemi di posa modulari, prevedere una fuga di 3 mm e richiedere disponibilità di tonalità abbinata al momento dell'ordine. Si vous désirez réaliser une pose modulaire, prévoir un joint de 3 mm et demander la disponibilité de nuance compatible au moment de la commande. Bei Modulverlegungen soll eine 3 mm Fuge verwendet werden und vor der Bestellung soll man nach Verfügbarkeit der passenden tonalität fragen.
